

PROJECT PROFILE

Staples Center Arena, Los Angeles, CA

Architect: NBBJ Sports and Entertainment

Builder/Developer: LA Arena Company and AEG

Project Completion Date: On-going maintenance

Featured Paint: Dunn-Edwards SUPREMA® Velvet and ENSO®

Dunn-Edwards is proud to be the preferred painting supplier of the Staples Center. The Staples Center is one of the major sporting facilities in the Los Angeles metropolitan area and Greater Los Angeles Area. Opened on October 17, 1999, it is home to the Los Angeles Lakers and the Los Angeles Clippers of the National Basketball Association (NBA), the Los Angeles Kings of the National Hockey League (NHL), and the Los Angeles Sparks of the Women's National Basketball Association (WNBA).

Inside the famous Lakers', Clippers', and LA Kings' locker rooms, you'll find SUPREMA Velvet on the walls because of its superior performance characteristics, outstanding coverage and application. Inside the luxurious suites, our premium zero VOC, low odor paint ENSO was used because of its excellent durability, superior stain resistance and washability. With such a massive and complex project like the Staples Center, it takes good design, skilled workmanship and proven materials such as Dunn-Edwards paint, to make the project a success.
